84th Regular Session, Agency Submission, Version 1
Automated Budget and Evaluation System of Texas (ABEST)

982 Temple Junior college

Temple College is committed to the success of our students. That commitment extends to the administration's support of student success funding that was implemented during the 83rd Legislature. Along with our fellow community colleges across the state, we support student success no matter where students are starting from or where their educational paths take them. We hope that the 84th Legislature will continue to support the student success funding model as an integral part of the three-pronged approach to community college funding: 1) Core College Operations; 2) Student Success Points; and 3) Contact Hours.
